“ I knew Leona briefly 5 years ago. She was the cook for the Carmelite Community in Darien, and when she retired I got the job. Although we only worked together for a few days in the transition I found her to be a kind and thoughtful woman. Peace to her family.

My favorite memories of Aunt Leona was the many discussions and arguments she and cousin John had over the years. They loved to argue with each other and I enjoyed their humorous exchanges. Love and miss you Aunt Leona.
