“ Mom, You meant so much to me, you were the perfect Mother-in-law. You once said to me that people find the time to do what they want, and excuses for for what they don't want. You always had the time for me. I will miss you and your stories so much. Love your Angel

“ Hi Mom, Its Riche and I will never forget the all the things you did for me. The time you drove My friends and I to our Hockey in a Blizzard at 2:30 AM, all the buses we took to get to My doctor for my asthma every week for two years (and I slept standing up), the time you drove 60 miles in the wrong direction going to Mundeline, For driving Me to NIU to take my finals after A girl broke my Heart, for all the times you stood up to Dad after he was being mean. I'll Always Love You and You will be In My Heart forever and ever. I will Miss You Mom, I will Miss You forever and ever. And Finally Thanks for sending ME an Angel in Susie, to take care of me until I Get to Heaven To Be with You AGAIN. Love Your Valentine Baby
