“ Linda was such a kind and warm lady who suffered a great deal with the cancer. The only consolation is that she is out of her pain now. She will be missed greatly by family and friends, like us. She is back with some of her other family now so they will take good care of her. She has missed all of them so they are now reunited. She will also be watching over the family she left behind here. You can be sure of that fact. We will all keep her in our prayers and miss her dearly. Deepest condolences to her husband Teddy and the kids and her entire family.

Love,  
Terri & Mike Rendon
