“ Love and prayers to the Frasher and Savage families. Aunt Lori loved life and she loved her family. I have many fond memories of family events, swimming at her house with her nieces and sisters, going to Super Night, and having her escape to our place on Sundays during football season when her niece and I were roomies. She was a great woman and I'm glad I knew her. I take comfort in knowing that her daughter is in her arms once again and nothing can ever separate them now. As for the rest of us, we will miss her terribly, until we meet again...
