“ *I often think back of all the wonderful loving memories I have of you Nana. Getting ready to shop, your most favorite thing!!! Even if it was just to go to "shop and save" for a loaf of bread, you'd be in the bathroom putting your red or pink lips on, plotting them on Kleenex, and dabbing your blush on with a cotton ball. I don't want to say good bye to you. I will always and forever love you Nana 💕 I will see you again someday and we will go shopping and eat whoppers and feed the ducks and laugh so hard we'll pee ourselves. I miss you so much already.*

“ *One of the best. Mrs. Spin when I would visit she always wanted to make a sandwich, soda, anything. She always asked if I wanted lenny the dog when I laid on the floor next to him. Our hearts will heal when u say it's time. Good night Mrs. Spin*
