“ *'No person is ever truly alone. Those who live no more, whom we loved. echo still within our thoughts, our words, our hearts. When you are sorrowful, look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.'*

Your lives will be richer because of the beauty of her legacy to you. We have seen her influence in you and are thankful for her godly life that will still touch our world through your impact.

Our hearts, prayers and love continue with you.
