“ *Unfortunately, we didn't get the news and weren't around as much as I would have liked, Auntie. I'm sorry I wasn't here for this. And you were that COOL auntie! I watched you put on your makeup when you would go out and you have INXS blaring in Grampa's bathroom, and swimming with Grampa. Give Grampa a hug for me, please. Such a ray of sunlight. Many hugs I never got to give*

“ I am fortunate to be friends with such an unselfish, caring, intelligent, fun, loving, beautiful (the list goes on) individual.

For almost 40 years you have been one of the most important people in my life, my best friend.

The memories of all the great times we shared makes you forever present. Your energy is unstoppable and continues to fill the universe. You will be with me every day.

No words seem appropriate to express my sorrow to her wonderful family.

I'm here for you forever.

“ I also worked with Luci for 10 years or so. She was always a pleasure to be around - smiling, upbeat, and frequently talking about travel and time spent with her family. You couldn't be around Luci without getting the fact that she adored her husband and kids. My heart breaks for them and the rest of her family. I will be praying for all.
