“ 17 years ago I knocked on the door to meet new neighbors. I was welcomed by Lynn first and then the whole family! A open door warm welcome to the neighborhood began as we started our marriage and our family. Bilinas came to our wedding, baby shower, shared multiple family events, Holidays and then some. We attended many special events together and grew as a special police family. There is a special set of wings for police spouses in heaven... I will meet you there. Thank you all for everything.
