“ *Madeline or “Maggie” as we called her in nursing school was a dear friend of mine. I was dating my husband when she was dating Dennie and we often met at the front door as we were trying to observe curfew. I am so very sorry for this unexpected loss. I pray that God gives you the strength and grace to get through these very difficult times. She will always be in your hearts and now you have your own angel in heaven. I wish I could do something to ease your pain, but all I can do is pray. God bless you all.*
