“ *Becky, so very sorry to hear about your Dad, he was a good man and know he will surely be missed. Would have come to the wake but did not hear anything about it until I got on the computer at 11:15pm. We have been cleaning the basement from all of the water we got last night, what a mess. We needed rain but sure did not need this much at once time. Tell John we said Hello and hope your family is ok. We will keep you and your family in our prayers. If we can be of any help just email me. I know your children must be big by now. Hope Carla is doing ok. Our deepest sympathy to you and your family . The Blake's*
