“ Manny was like an uncle to me and my siblings. No matter what, he was always a happy person. He always joked that he was our favorite uncle. Even though we weren't blood related, he was my favorite uncle. My family had a really close relationship with him since 2009. Coincidentally, we're just finding out today he passed exactly three years ago. We've always bumped into him, or he would always find us. We're absolutely heartbroken that Manny passed. But he inspired us to always laugh and to enjoy life.

*Different paths along the way,
We all are meant to learn some things
But never meant to stay...
Our destination is a place
Far greater than we know.
For some, the journey's quicker.*
