“ Very sorry to hear about this loss. Marco was a great guy. He bought the cylinder head end tables from me and man did I feel bad after dropping one on his mustangs bumper. But he laughed it off and made sure to rib me about it then after. I'll definitely miss seeing him around.

“ I'm so sorry to hear about this... Marco was a great man and always lit up the room. Me and would joke around about everything and be just like a couple teenagers when it came to our cars. I'm gonna miss cruising, and I'm gonna miss his stories. The lives he touched are surely better for having marco in it.

“ *Dear Jeanette, my heart just aches for you with the passing of your dear sweet husband Marco. I will never forget the fun times we shared with you like the time Marco brought his new Mustang here and gave me a ride - he was sooo proud of that car. I'll miss his funny humor and big smiles and all the Italian stories. I will pray hard for your heart and know we love you*

“ Dear Jeanette, Walls Family and Roberti Family,
There are no words to describe how sad I am for all of you. I have known Marco since I was five years old and played at his house with Marisa almost everyday. He was such a kind and gentle person who wouldn't hurt anyone, his whole life. Please use your memories to help you through your grief and lessen the pain. Jeanette hold on and be strong, I know exactly how you feel. Take it minute by minute. Marisa and Robbie, be strong too. You're family has been through so much. I will always remember Marco for the fun loving, silly guy he was. My heart aches for all of you. The girls and I are sending our love.

“ Jeanette,

Please accept my sincerest condolences on the death of Marco. I can only imagine the depth of your sorrow it's so sad when someone so young departs from us. I hope my words can accurately portray how deeply saddened I am. Marco was a brave and strong person, and a husband to be proud of. My prayers and thought are with you, and if there is anything I can do, please let me know at once.

Jeanette/Sunshine, as the Lord's garden grows more beautiful with every passing day we have to accept that He chooses only the best for His garden. Sometimes we ask ourselves why our loved ones but as I told you before God doesn't make mistakes.. His love for us is infinite and He only gives us what we can handle. Marco was a brother to me. I love him dearly. Because of the two of you, you made me believe in true love again. He was and will always be my idea of Prince Charming. I asked my dad and brother to greet him along with his parents, may God have him in His glory... I love you and pray for you my Sister.. all my love Trisha
