“ Cousin Barb and Cousin Chester, so sorry -- Our family just learned about the passing of Leonard and Aunty Marge. Such a shame that we all hadn't been closer and kept in touch. Our sincerest condolences to you all. Thank you for the video tribute - seeing the photos really brought back lots of happy memories of Aunty Marge.

Chet has been working from Massachusetts, and I have raised my kids and lived in California and Washington, and it makes it hard but we love our family and wish we could have compressed the miles. Thank you sharing your feelings.

“ My siblings & I always loved walking down to Aunt Marge's house from Nanny Kasak's. I spent a lot of time there - picking berries from her garden or eating her pizelles. Sister Marge will be dearly missed.
