“ So many wonderful memories. Aunt Terra Firma (my nickname for her when I was little - salt of the earth) was My Big Sis. The trip to Champaign Urbana for "Little Sister's Weekend" was amazing. I was 12 and took the train from Elgin! The whole weekend was jam packed with activity. Folk concert Peter, Paul & Mary!!! Gahhhhh. She always invited me to visit in the "City". I quickly learned my way around. She would always include me in all the activities. The theater was a great passion of hers. We would work behind the scenes sewing costumes for the stars long into the night Sometimes I would get to paint props and scenery! We would get to be extras in crowded streets or sing in the choir. When the show would close, it was party time!!! Food galore! My favorite things to do were the Conservatory, Planetarium, Aquarium, Observatory, Museums, High Tea in the Walnut Room at Marshall Fields. Her spirit was contagious! Please give me grace for not attending in person. My health challenges have prevented me from travel today. We are with you in spirit.
Love, Kimmers
