“ I will forever remember AMA as kind and loving. The smile and sparkle in her eyes when anyone would walk in the house. She would always tell you that food is in the kitchen and to go eat. Her laugh was like magic, she would turn your day around with it. She would make me laugh at the way she would yell at my dad for yelling at us kids. She was the only one to scold my dad or talk back to him and stick out her tongue at him. Her words were law. We were always safe with AMA. When you visited her it was like the feeling of home. AMA, I know your at peace and with everyone that has passed before and I know I will see you again in heaven. Thank you for all the Love you gave us and the time with us. You will forever be missed and loved. AMA you were an angel on earth and now one of my angels watching my family and I. I love you AMA

“ I remember being young, knowing you meant the world to me and that I couldn't live without you. I remember I made you promise me that you would live forever. As I got older I knew that wouldn't be possible but I was just too scared of the day you would no longer be with us here. You taught me so much and help raise me to be the person I am now. I love you so much Ama. Thank you for staying as long as you did, in the end you did keep your promise to me.
