“ May Martha L. Hernandez RIP, I'm sorry for the loss of Martha please accept my condolences and know that although the pain of death can be so gripping that we rightfully can feel robbed from more time, more memories, more love and just because's rest assured that the pillow of hope can alleviate your pain and promises from the Almighty can give you his purpose to look forward to. ...He has made everything beautiful in its time. He has even put eternity in their heart... I have concluded that there is nothing better for them than to rejoice and to do good during their life; also that everyone should eat and drink and find enjoyment for all his hard work. It is the gift of God. Ecclesiastes 3:10-13 Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, ... to a resurrection of life. John 5:28,29
