“ Carol, I'm sorry about your mothers passing. John and I always loved her. A couple of times on calls for her, she and John talked and talked before we ever got out of the house. She would see John and her smile was from ear to ear and away they went. LOL Thank you for being such a good friend all these years. Love Always, Ruth Nemeth

“ I will always remember my 8th grade trip with Mary Ann she took me on to St. Louis in her brand new car! We had such a fun time. Although in recent years we didn't see much of each other, she is the last blood relative of my generation; I will miss her dearly !
