“ Gram- I want to thank you for being such an influential woman in my life. I will never forget all of the wonderful memories of spending time with you from when I was a little girl all the way up until the day you passed away. You were such a strong woman who had a heart of gold. I know I will miss you each and every day. You were loved by so many. Tell Grandpa and Aunt Dorothy I say hi. I love you and we will meet again but until then, tracta nabacta! I still don't know what that means but I am hoping to find out one day :) Love, Your Tootsie Wootsie!
