“ *I was so sorry to hear the my friend, Mary Jo, had passed away. I worked with her at Essex Wire and Cable many years ago. It was my first job and she sort of took me under her wing and made me more comfortable in the working world. She was always so happy and full of life, especially when she spoke of her kids, Nancy, Johnny and Cindy and grandkids. I sometimes thought of her as my 2nd mom, she taught me a lot. The loss of her beloved Nancy seemed to be really hard on her and we slowly lost track of each other over the years. She brightened my life knowing her. My deepest sympathies to her family.*
