“ *I love you mary, I was withyou when God called you home. We find comfort in the knowledge that you are peace in the house of the Lord, reunited with those that have passed before us and anticipating the day when when we can be together again. Our seven short years together will be with me forever. You are in my heart and mind every moment and you will be with me forever, I love you, Matt*

“ *Mary, I know it's been several years since we've seen each other. But at least we did chat via FB once in a while. I'm sorry we never did get together like we planned. I will always hold good memories of you, that we had shared together in my heart. Rest in peace now Mary Kaye, I know you're sitting up there right now, between your mom and dad. I love you.*

“ *I'm still in shock at your passing. Life is so short and we didn't get to spend enough time together. But when we were last together, it was as if no time had past. I'm so sorry you're gone and at the same time know you're in a happier place. I will miss you and will see you again in Heaven. Love you, your cousin, Karen.*
