“ *Merry Heavenly Christmas Mati, how beautiful it must be to celebrate with our Lord and the Kingdom of Heaven. Wait for me. I look forward to the day I see our Lord and Savior for He will know me and know the ache of my heart and how empty life has been without you. We miss you so much. -Dolores*

“Happy Heavenly Birthday Mati. No doubt you are celebrated in the kingdom of heaven. A piece of me went with you. I do my best to fill it with memories. I remember buying 50 Cent beef suckers because we were too broke to eat more than that. I also remember how proud and accomplished you felt after buying your \$200 Movado watch you worked and earned that watch. It was the first most expensive thing you ever bought for yourself. I remember how nervous you were as we both sat together I watched you gather yourself before walking over to the jewelry counter to probably make your purchase in the late 1980s when our hourly wage was \$3.25 an hour. Miss you so much.- D
