“ To my brother Michael  
As I sit here alone on our mountain of  
Memories of all the times together  
Not knowing The future without you my  
brother by my side The tears runs down my  
cheeks And my heart lonely inside Not even the most powerful  
wizards can't stop the pain inside  
As I once Started to crate a land For my kids to remember me by  
I open them doors For you my dear brother With all my love inside  
For i conjure all of Magic from my feelings from deep Within inside  
And give it all to you and my brother Philly my sister Susan all to live  
inside  
There is so much I will miss you for just surely not enough time  
you left me so fast I couldn't say a proper goodbye And all the  
memories in my mind i'll have to use to remember you by  
For you will never be forgotten my dear brother of mine  
all the kid's We'll talk about you And say uncle Mike what a guy  
A special kind uncle a real crazy guy  
Someone we can remember always a real happy around kids that's  
no lie  
A real special power for kids from in your heart you had deep inside  
Your love will always be remembered till the end of all time  
So as I finish my story my dear brother, Crazy Luke, That name Will  
never die  
As I feel soon I will be with you  
Believing time is not on my side but if I get lucky and get more time  
please just remember you're in my heart my soul my love will  
always be by your side  
Lay down next to Philly And sleep my brother! rest Them eyes! You  
are always be remembered my brother  
my friend for all our love will never die  
Love for eternity your brother Fred
