“ Dear Michael,

I'm thinking about the time we spent together in Naples FL just a few yrs back. It was a sad time for me after my loss of Rick but you came with your great sense of humor and helped me out. Thank you for showing me that no matter what, through thick and thin, family is very important.

We will miss you Michael but we know that you are at peace now praising the Lord with our other family members and friends who went before you.

*I love you brother,
Mickie*
