“ I was so deeply saddened to here of Mike's passing I will remember with much fondness the many fun filled days we shared as friends and classmates at Holy Name Cathedral High School. He was always so full of life and helped make everyone laugh, his passing will be felt by many who knew him and were fortunate to have him in their lives, I was blessed to be one of them.

“ *Mikey D was one of kind. They broke the mold when they made Micheal. You had a friend for life after you met Mikey. When he walked into JC's Pub singing "How lucky could one guy be" you knew Mikey was in the house and you were going to have a good time. Even when we went to the hospital he remembered all the staffs names and made them all laugh. I'm so proud to have known him, laughed with him, golfed with him and translated for him because he couldn't hear sh.t. I will always miss him and never forget him. “*“Mikey Dee” wow this is hard to believe. Mikey always had a kind word for everyone and when he entered a room , he made his presence felt. If you know him , you know a man who always had time for kids . No matter what sport , he coached kids. Lyons has truly lost someone who helped many and left his mark with all he ever knew. If you have ever been to TJ's you have met him and if you look around, it is not just a run of the mill tavern. It is a place that is filled with people who have devoted their time and effort for the betterment of those to follow. I have included his family in my prayers on this day. I will miss “the little guy”. But he is one person who may be gone but never forgotten. God bless all that are reading this as they also are friends or family and have been touched by this wonderful man.-----David Plesha*
