“ *The world was brighter with Murph in it.
He was a good man and a friend to everyone. He and Lauren encouraged so many. My daughter Aimee was blessed to be a part of their theater group as a child.
I am so glad I knew Mike. He was the best.
Let's keep his spirit with us. Be the best we can be. Continue his love of theater thru the roles you play. And when the spotlight is on that stage know Murph is enjoying the show from the best seat in the house.*

“ Murph, was one of the 'warmest' people I had ever encountered. My wife, Meg, knew him better than I because she acted in the Hale theatre group over many years! Murph's renditions of Meatloaf songs and his love for his sons won him over for me. He was a magnet...you couldn't help but want to be engaged in whatever he and Lauren were sharing with the community. I am saddened to know that he has passed. But what Murph has left behind for all of us will not be forgotten. God bless you Murph!

“ I was privileged to know Murph for over 45 years and he was the best person to know. Between sharing theater, going to White Sox games, doing karaoke, and starting new families, we were always friends. Despite not seeing each other that often over the years, he was always near and dear to me and my family. I had the honor of watching him begin his life with Lauren, become a father, and being an incredible friend to everyone he met. I will miss him dearly and will remember him as the kind, generous, and loving person that he was.

“ *Mike will be sorely missed. He was always a much welcomed friend and a talented vibrant and creative presence. He contributed some much to delightful theater scripts and performance, even church feastday plays and pageants. A mentor and entertainer for children events. Warmest condolences to his family, friends, and followers. Jurek Polański. †*

“ Murph, where do I even begin? I known Murph since I was around 12 years old and he was also lighting up any room he was in. It still stings that he’s not with us anymore, but I’ll forever cherish the memories that I have with him
