“ I’ve known Millie for about 20 years. She has the warmest, kindest heart I’ve ever known. Even at times when I would joke with her in an effort to ruffle her feathers, she would simply tell me that I play too much; and she would say it with the warmest, kindest tone in her voice. She had the most remarkable way of making me feel as if I needed to go to confession to save my soul for messing with her. Millie really appreciated the good things in her life and quietly accepted the bad. I’ll miss her wonderful smile, her silly laugh, and wonderful nature. It seems obvious to me that God has different plans for Millie, and I know she’ll be watching over her beautiful daughter Abigail, ALWAYS.
We’ll miss you Millie.....until we’re all together again. Your Friend Always, Rich Valdez

“ As a frequent customer of Best Imaging, I spoke with Millie very regularly and I always found her positive spirit so uplifting. Beautiful, kind souls in this world seem rare to encounter. You could spot that Millie was one of those rare exceptions from a mile away. I am very saddened to hear of her passing and want to extend my deepest sympathies to her family and friends.

“ I dealt with Millie only through work but she was a great person. Really took pride in her work and always made sure it was her absolute best.

I will miss dealing with her at Best.

“ *What I loved about Millie was that she was unique and didn't care what the world had to say about that. She dedicated her free time helping others. She encouraged my mom to do marathons my mom never imaged doing. She had an amazing heart. She was so excited to be a new mom. She would talk about how she will bring baby Abby over so we can teach her how to do her makeup, because she didn't know the first thing about it. I am so sad to see her go. But I know this isn't a goodbye, it's a I'll see you later.*

RIP Millie / Forever in our hearts

“ *To say that my sister/girlfriend helped save my life is an understatement!! She got me to do things I never imagined my body could do!*

Climbing stairs in towers and walking in races in cities! Helping others in races i wasn't yet ready to do! Building our Dream Seekers Family!!! I love each of you so much because of her! I'm healthy and alive because of Millie! I will always treasure her words of wisdom, pep talks and brutal honesty! A true accountability partner and a genuine friend! A lot of our team may not know her family member. A friend of mine for over 30 years Andre but he put her in my life because he was so far away from me and I needed someone everyday to workout with and Millie never left my side! A princess and a priceless gift i will always treasure... I love you and miss you Millie!!!

“ She was so strong in so many ways and when I decided to home school Mimi I had to put together a desk and a book case for her in my house and it was her “Titi Millie” to the rescue! I had no clue how to put all these moving pieces together! When all was said and done and two hours later... she had transformed my living room/classroom into this...

“ *Millie was and will always be present in my memory. She had a huge heart that she left open not only to love but sadly to be hurt. But she was always trying to better herself in everything she did. I still remember being admitted to the hospital 10 years ago for an emergency issue. I either received a visit or a call from all my family. Then one day while everyone had left and I was alone , in comes Millie to visit me. It was so unexpected and it meant so much to me. She did not have to do that yet she went out of her way to visit. I will truly miss her and I will pray for Abigail and hope that her daughter is reminded of how beautiful of a person her mother was. Gonna miss your FB posts Millie... Raul Valdez*

She was always a hospital companion for me too. We sat together many a nights with her grandpa, her grandma, her cousins, and her uncle. She'd come from work and visit always, then go to her parked car at the train late at night and go home. She stayed and sat with her grandma to allow us to stay at my daughter's bedside while she was in ICU and husband too when he was sick. She was always there for us. She was up to midnight talking to Nikki the night before her passing while her cousin Nikki was at the hospital with Sienna who had just had a tonsillectomy. One way or another Mildred was there accompanying someone in a time of need all the time. I know I will miss her at future hospital stays and the coffee or Garret's popcorn she'd bring from downtown. The gestures she made were huge especially for me.
