“ *Arlene, please accept our heartfelt sympathy at the loss of your dear sister, Millie. Peggy Walsh always enjoyed spending time with Millie and was probably among the first to welcome her to the choir of angels. Our thoughts and prayers are with you and yours.*

“ *Dear Arlene and family,*

I met Millie when working at the First National Bank. Millie was a part of our Poker Club, too. She had a great sense of humor and I always told her that. She was so easy to talk to because we shared so many memories together. I feel devastated at losing my friend. I am going to miss Millie so much.

*Love,
Britt Paulsen*
