“ G-Ma there are no words to Describe the loss to our family right now. You truly brought a joy, laughter and the presence of what it should feel like to be alive to everyone you were around. I know you’re sitting next to Mom, Frank, Michael and even grandpa talking about the things they missed and reassuring them that everything is ok. I miss you but continue to push on knowing that one day I’ll see all of you again. Until then I’ll do the best I can to make sure everyone remembers you and celebrates your life to the fullest. There’s something about when older people swear that makes me laugh uncontrollably and I will miss that so much. I Live You G and miss you more than words can describe.
