“ I knew Nancy through all 8 years of grammar school and 4 years of high school and there was never a nicer person than Nancy. I remember her kindness, her laugh and sense of humor, fun to be with and how intelligent she was (and a better student than I was). She had the most classy and best birthday parties ever in grammar school and I was always invited. The world lost a beautiful, gentle person when she left us. I think of her often after we graduated H.S. and the fun we had walking back to grammar school when we went home for lunch as I met her on a corner to head back to the school. We would always stop at a candy store and if I had very little money, she kindly gave me an extra nickel or dime. Gosh, what a good friend! She moved south from the city and I headed to a northwest suburb and we lost touch. God Bless her and may her family be comforted by her graciousness and gentleness of spirit.
