“ Dear, Sweet Nancy...while we never met, I feel we knew each other as had similar values and love for our families. I know your legacy will be a comfort to your family at one point and wish you godspeed. Hopefully your are enjoying your reunion with all that have gone before you and your toes are wiggling in some patch of white, warm sand.

“ I'm going to miss my dear friend Nancy so very much. We've been friends since our kids were in Kindergarten. Our friendship flourished and even when our children went their own ways we continued playing bunco with each other for years and years. I can't even start to say all the fun and laughs we had together, just know they have become treasured memories in my heart which will be there forever. I love you and will miss you my dear friend. 💔
