“ *My sister had the longest memory, she always remembered every birthday & anniversary. She would call to let you know she was thinking of you for these occasions. She also called for every holiday to say hello. I can truly say we never had harsh words & the last words when we spoke were always I LOVE YOU. Jeff & I send our sincere condolences to Stanley & Shaun. I pray that the first heavenly body she met was Jason because she often told me how much she missed him. God Bless You Nancy & as always my last words now & forever, I LOVE YOU!*
