“ *What an amazing wife, mother, grandmother, and friend you were Naty! I loved visiting you, making pasteles together, and sharing stories in our own way. You have left a great legacy behind you. Your children have prospered and learned from you and are on their way to teaching their offspring. I know you were so proud of all your children. Rest in peace Naty for you certainly have lived a long and full life. Sending our love to you, Julio & Jane Styer-Acevedo*

“ 😞 *Today is going to be rough.*

May God and His Angels give us all strength as we go on this journey to help Titi along her new path into your Kingdom and be reunited with all her family and friends. May she know she will always be missed and praised for her blessing of gifting us with her love and care.

We love you and we know God gets you now. Thank you Heavenly Father for that.

In Jesus name, Amen.
