“ I have several memories of Uncle Ned. But, my favorite memory was in 1982 when I was 12, and ET movie just came out. So the Reese Pieces candy were very popular. My Uncle Ned stopped to fill up his car with gas and came out with a HUGE bag of Reese Pieces. Of course it looked yummy but you wouldn't dare ask if the candy was for us. He handed them to my sister Virginia and me ..we didn't know what to do. We were so excited! Aunt Mimi said they were for us. As a Schaefer, we never had candy nor would our parents ever buy us any. We looked on the bag of candy with excitement. Ready to dig in, but wanting to "save it", knowing this would never happen again. Well we couldn't resist and we dug into that bag of candy, hand over fist into our mouths. As as it melt into our mouths we thought we are so happy our other siblings aren't here, more for us.

The best visit with Uncle Ned ever.
