“ I’ve known Nick Casaletto and his family for most of my life, growing up in Lyons just two blocks away. Nick was such a funny man, always joking, smiling, he had great laugh, I have so many fond memories of him. I went to school with his daughter Candace and I’m still friends with her. She was there for him until the end, my condolences to her and the family

“ So sorry for your loss. I worked with Nick at the Lyons Post Office. Nick was one of the reasons I enjoyed going to work. He was always happy and made everyone laugh at work. Ed our supervisor would always say keep it down because of the laughter. We teased your dad on fridays when we got paid because your mom would come to his work and pick up his check. Really miss Nick and his humor. Sincere sympathy to you and your family. Rest In Peace Nick. Ron Simik
