“ I'm going to miss you buddy, I can honestly say you were my buddy. Never said no to me when I needed a favor, never in a bad mood when we talked, never judged or criticized me. But in those terms it seemed like you were everyone's buddy. Because I saw you did the same for everyone. Thank you for your time with us, thank you for your help. You had a heart of gold. Really can't find enough words that would give justice to the kind of person you were. I love you!!! See you later

“ Tio Numan, you were an awesome uncle, and I'm glad my family got to meet you. I remember you always helping out my grandma and grandpa with their homes, and always fixing something or working on a project, with all that you always made the time to pick us up from St Agnes and drive us home in your big cool van if Mami Zoilita couldn't get us. I'll always remember your one of kind raspy cool voice! Rest In Peace tio ❤️

“ My Tio Numan was the best!...No matter what you needed he dropped it all to show up and help you. He especially helped Luis and I when we got married. A young couple learning how to manage the responsibilities of a home. Luis would call for advice on how to fix something, next thing I knew he was there showing Luis how to get it done. I remember our conversations on how he missed his little girl because he couldn't see her everyday. It hurts that from this earth we lost a great Father, husband, brother, and uncle, but somewhere in the heavens they gained a great Angel. Tio please watch over your family that misses you greatly and tell Mami Zoilita, Papi Angel, and Tio Marcelito hello.

“ Tío Numan, you were an amazing uncle. You are always a good listener and gave warm advice from your life experiences. You were an amazing uncle to my three children. I am glad they got to know you. Even though I'm a Cubby Blue and you already know Isaac is a Sox fan but I hope the White Sox will make it to number one in AL central and if they make it all the way I know it was you cheering them up from above. Love you Tío!! You are dearly missed! I know you are watching over all of us !

“ Hey bro, quiero tomar este momento para recordarte cuando nos conocimos en los 80's. En ese tiempo yo empese a ver football americano pero no sabia las reglas o jugadas del deporte. Vos te sentabas a mi lado todos los domingos viendo los bears 🐻 y me explicabas cada jugada y regla. Tambien cuando llegue a chicago un diciembre vos me dadas consejos como manejar en la nieve. Yo se que soy una persona mejor por tus consejos y tus enesenansas. No me estoy despidiendo solo te estoy dejando saber la clase de persona que sos. Bro, se que te fuistes antes que mi pero al rato te llego por ay para volver a ver juegos y conversar de remodelacion de apartamentos.

“ Tío, even though I did not have the pleasure to grow up around you like Mely & Oliver every time I was able to come around, you made me feel at home. You made me feel like you saw me grow up. I am saddened that you have left us, but happy that you are in true happiness with God. No pain, no suffering. You were truly a gift on earth, but I am sure that we all have gained another Angel .  
-Never goodbye, but until we see each other again.

Love you with all my heart!

“ You were not only my brother, you were also my friend. The love of a brother you gave me was like no other. You were always concerned if I was doing good in all aspects of life, always letting me know that I could count on you, always letting me know you were just a phone call away. I was so blessed to have had a special gift in my life, and that gift was you. You may physically be gone, but you will always be in my heart. I shall miss you dearly but my memories of you will help me endure this pain.

*I want to share a poem with you by Clara Ortega:*

*“To the outside world we all grow old. But not to brothers and sisters. We know each other as we always were. We know each other's hearts. We share private family jokes. We remember family feuds and secrets, family griefs and joys. We live outside the touch of time.”*

*I will never be ready to say goodbye, so I will say I love you my dearest brother.*

“ A mi primo Numan siempre le quedare agradecida que El fue quien nos recibió a mi hija de tan solo 8 añitos y a mi en Mexico, fue un reencuentro después de muchos años que nunca olvidare, Numan fue parte de mi historia y mi travesía para llegar a la ciudad de Chicago y lo demás es historia. Primo ahora estás descansando en paz en la presencia del Señor y en compañía de tus papis y hermano.

“ *I thank God that he gave me you Numan a little bro to share a life with. You showed me on what seemed insignificant details, but showed me the big picture on how to take life in stride. Many lasting memories of you & I spending time together, like small to big projects you helped me out with to going on road trips to Mexico are some memories that will be with me forever. Little brother, I will miss you dearly. God with his infinite love and compassion has taken you to be with our mom, our dad an our brother Marcelo. May God bless you all. “ *Tio Numan is the biggest white Sox fan I know!! Every time he would come over he would talk about how the white Sox were gonna win it all and I loved him for that. He never gave up on his team just like he never gave up on himself or his family. You will be missed tremendously by your family tio but we will always remember and love you. Now you can have coffee and pan dulce with papi angel, mami zolita, and tio Marcelo ... continue to watch over the family tio numan. We love you*

“ Numan siempre me va a traer recuerdos buenos. Su buen humor, simpatía, humildad y fuerza interna y externa.. siempre me trajo una energía positiva y singular.  
Me dejas un sentimiento de haberme querido ser más cercano a ti pero lamentablemente por la distancia y las circunstancias no tuvimos más buenas experiencias de las que tuvimos.  
Lo único que quiero decir es que tu grande áurea que tenias siempre lo valorize mucho y se que ahorra después de una grande lucha podrás descansar en paz.  
Nos dejas un grande sentimiento de melancolía por dejarnos que se ameniza con los buenos recuerdos de los momentos que pasamos juntos.. siempre me sentí muy feliz de que hayas podido cuidar y apoyar a mi tía Jhuly y mi prima Michell.  
Numan siempre estarás vivo en nuestros corazones. Jamás te olvidaremos!

“ Tio, thank you so much for sharing your life stories with me about your teenage years. Eating watermelon that you grew from your garden while sitting on the deck during the summer was pure bliss. The sour faces you made while I talked about trash reality TV will be engraved in my memory in the best way possible. Thank you for always looking out for my mother, I know you love her more than words can describe. Enjoy los cafecitos con Mami Zolita y mi tio Marcelito and enjoy fixing with Papi Angel. I love you so much tio, you will always and forever be in my heart

Bro,  
All I can say is that life is short. We once were small and shared kids memories that all of us loved. We grew up to teenagers and had other bigger memories like motorcycle and girlfriends we also shared. Then we got married and had our own life's to live. You were a good son and even lived with Dad for many years before you went to your own house. All of it in many years but to us it becomes short. I love you and I am said for your departure but I am also glad that you are now joining our Dad, Mom, and Marcelo.  
You see many years but it seems like it happened yesterday.  
Love you Bro and just wait for us because we are coming your way.
