“ *Happiest birthday to you Libby! 🎂
I'm always thinking of you.
I remember those fruit whipped cream cakes you use to get for your birthdays.
They were soooo yummy 😊
I know you're having a great birthday, celebrating with everyone.
I know you're happy, and know that you will see us all again someday.
Happy Birthday again, Libby.
I love, and miss you! ☐*

*Hi Libby,
I can see your smiling face. You are so excited about your granddaughter being born. You're so happy for Alfredo and Maylee. I know everyone wishes you could be here to enjoy your granddaughter.
We all know that even though you aren't here on earth, you will still be here in spirit near your grand baby.
She was born so close to your birthday.
I've seen pictures of her and she is so small. But I'm sure she'll get bigger and stronger as time goes along.
I know she's brand new and her little face will change within the next few months, but it looks like she has the Lopez top lip.
I smiled when I saw it.
Congratulations on your new baby granddaughter Libby!
I'm sure you are so delighted 😊 ☐.
I love you Libby ☐
Love, your big sister Mona*
