“ We first met Patti & Wayne Kujawa at our son Steve's Graduation from the University of Illinois in 2005. His fellow graduates from the English Education Department were almost exclusively female. One who stood out above the others was their daughter Kate. Steve & Kate proceeded to fall in love and got married in 2008. Patti invited us into her home right from the start, hosting many family functions and holiday meals. She and Wayne immediately accepted Steve, his brother Phil, and Richard and myself into their family circle. On Kate's birthday I would call Patti and thank her for raising our wonderful daughter-in-law. We will never forget her laugh, her cooking, her wicked sense of humor, and the way she loved her husband, siblings, children and grandchildren. Not to mention Motown music, and the simple joy of fishing up at the lake cabin her family frequented. Although we no longer saw Patti as often over the last 2 years, we enjoyed many long phone conversations. Patti had a wonderful voice and loved to tell stories and share some laughs. She will be sorely missed.
Love,
Kathy & Richard Whitman

“ Dear Katie,
I am so sorry for your loss. Your mother was a very special person. She always had a smile and I have many fond memories of her. As a teacher she was always supportive and I truly appreciated that. Please accept my condolences and know you and your family are in my prayers.
