87th Street & Hamlin Avenue
Evergreen Park, IL 60805

Tribute Wall

CS

“ To the entire Calace and Ruglio Families, I send my most fervent and heartfelt condolences on the loss of your beloved mother, sister, grandmother, aunt and dear friend. Pearl is now in God's loving and protective embrace, sheltered from pain and reunited with her beloved husband Nick, her wonderful parents and her beloved sister Judy and beloved brother Danny! I will think of her often for the rest of my life and will be comforted when I imagine her laughter...which we shared as recently as last month. Pearl's strength of character and her deep understanding of life will always give me strength and courage during trying times. I am glad that I got the chance to tell her how much I admired her when we were together last month! I am also grateful that God allowed me to share special moments with Pearl, Judy and Danny!

With Deep Sympathy,

Cynthia Simpson
