“ Phil I am beyond saddened to know that you are gone. I just talked to you last Friday evening and I promised to take you your favorite dark chocolate. The memories I have of my childhood from the late 1970's and having you as a neighbor will bring me lots of smiles and comfort. I'll never forget how you changed my name from Esther to "coocs" because only I could agree to disagree with you and still make you laugh and tell you that I loved you. I'll miss calling you and hearing your laughter. May you rest peacefully along side Phillie. I'll forever keep you in my thoughts and in my heart.
