“ My heart goes out to the family of Phil and all those that were close to him. He will always have a place in my heart, and there will not be a day that goes by that I will not think of him and miss him. I will always remember his laugh, his smile, and the connection we held with each other. May his family grieve as much as they need to, and know that the son, the brother, the uncle, the cousin, and the friend that has passed is now looking over all of us. Just the way he was looked over by others. He was an amazing man that touched my heart as well as the hearts of many others. Rest with Peace Phil I love you ~Leo~
