“ My dear sister, you told me you were coming home soon and for me not to cry, but your heart couldn't handle all your pain and suffering. So God extended his hand to you and took you home, but my heart feels like there is a void, something is missing and that's you my loving sister, we cried , we laughed, we told each other secrets. You expressed pain that life was dealing out to you. I hope I comforted you, cause you comforted me. You have no idea of the amount of happiness you brought into my life. I will love you forever and ever. I carry you in my heart sis. Until we meet again, save a spot for me.

“ *Tia Rachel, my soul hurts- what I wouldn't give to see you Right now. I woke up today thinking it was a bad dream. Then I quickly realized it wasn't. I know you loved me ,and you knew I loved you too! I just wish I had a few more moments with you.*

How we easily take people for granted, not giving a second thought that our loved ones can be taken from us just as swiftly as the dawn turns to night. So turn to your loved ones and say what needs to be said- you don't want to wait until they are dead.
