Tribute Wall

EP

“ We can't ever replace the one who's gone. Your father was one of the good guys, a wonderful man and your grief is shared by all who knew him.
He appreciated how terrific you all were and surely you know that you meant the world to him.
He was great company on his visits to Florida. In fact, he became Uncle Ralph to all our family and friends, always smiling and cheerful.
One year walking into our club to play bingo, he was recognized as "Uncle Ralph is here" and cheering broke out. He was so embarrassed,
waved, and quickly sat down. The next week he went to play poker. Having him visit was special for Eddie. The two of them would revel in stories of Taylor Street, the old days growing up in Chicago and family.
Jennifer and I have truly missed Uncle Ralph's visits the last few years. We had hopes of sharing some more time and doing a few more
1,000 piece puzzles.
Now, we will keep him in our hearts forever and remember him often. We were so lucky to have had the company of Uncle Ralph and the lovely Aunt Emma.
Sending our deepest sympathy and love,
Elaine and Jennifer...

“ *Will miss the hockey puck donuts from Weber's Bakery you would bring to John's Service Center. Will always remember the laughs we had. My thoughts and prayers are with your family. God Bless you.*
