“ *Uncle Ray would always find time to stop by and spending time visiting. He was always very easy to talk to and we talked about everything and every subject. He was a good listener and sometimes he would share some of his wisdom and expereince. it seemed Uncle Ray could answer just about any question or be able to help with just about anything. He was so reliable and always there for me. I can't really think of a time that I ever saw him upset or angry, he was loving, kind and patient. He had a good sense of humor and he loved being around people. He and Aunt Ann were always welcoming and gracious and happy to have company whenever you would stop by to visit.*

I feel blessed to have had him so close to me growing up and for all the years we shared good times at our wilmington recreation club. Uncle Ray was generous and always took pride in picking up the check when we went out to dinner. He was caring, kind, helpful and great company. I am truly sorry that Aunt Ann, Kim & Jim, Ray and Mary, all of his grandchildren that are hurting so much and have endured more loss than seems fair. I know that God has a bigger plan and Heaven now has one of the greatest guys ever there. My sincere condolences and love to all of his family.

"When we all get to Heaven....what a day of rejoicing that will be"

“ Uncle Ray was an important part of my life. I grew up living a block away from him, so it seems he has always been around. I remember he and my dad working in the garage on projects together when I was young. He was the kind of man who was always willing to lend a hand. Since the Ulrich's were members of Wilmington Recreation Club, we spent many fun weekends together swimming in the lake by day or chatting around the campfire under the stars at night. Uncle Ray was always willing to help out as my "Mr. Fix it" whether it was checking the gas tank on my camper, hammering nails on the pier steps, or hooking up my camper battery so it worked properly. Through the years, we also spent many enjoyable family and holiday gatherings together. He inspired my faith when he converted to Catholicism when I was young. He always cared about his family, and lovingly looked after them. I will miss him, though I am comforted by picturing him being reunited in heaven with his son (Brian), and grandson (Jason) and others who have gone before him. My condolences to the Ulrich family on your loss. He will be remembered.
