“ I had the pleasure of working with Rich at Fresenius-Kabi. There wasn't a time that Rich was too busy to stop by my office just to say hello or give a passing high-five to me in the hallway. He always asked about my family and how they were doing and beamed when asked how his family was. May the memories and support of friends and family help you through this difficult time.

“ Rich was an amazing friend and co-worker! He was part of our family here at APP/Fresenius-Kabi Pharmaceuticals and will be greatly missed. He walked around with an energizing smile, always had something special to say and almost always had a piece of candy to hand out. We loved seeing him come around the corner because not only would he be in a great mood, we knew he'd get the job done and fix whatever piece of equipment he was called on to repair! Miss you Rich, see you in Glory my friend.
