“ *My father grew up next to Ricky's father in the 'back of the yards' of Chicago. Each of our fathers eventually fell in love to two lovely women, got married and raised their families. Through it all, our fathers remained best of friends and made sure that our collective families remained connected.*

*I will remain forever grateful to have known the Eberlings for a lifetime and will always remember Ricky for the ever present smile you see and his always being the first to ask, "how'ya doing?"*

*Ricky, you are remembered fondly.  
Keith*
