“ Rick you'll always be my best friend,there is nobody that could replace you. I have an empty place in my heart,for I have lost a person that cannot be replaced. I hope your sitting at the right hand,and He's telling you the funniest joke you ever heard, because you deserve the best. May God bless you,for you were a saint on earth. I'll miss you my friend,with tears rolling down my cheeks.

“ Steve Caleb family, I like this one even better. God saw you getting tired and a cure was not to be. So he put his arms around you and whispered come with me. With tearful eyes i watched you, and saw you pass away. Although I loved you dearly, I could not make you stay. A golden heart stopped beating, hard working hands at ...rest. God broke my heart to prove to me, he ...only takes the BEST.

“ Sorry to here about Richard. Time will heal all wounds and sorrows. Heres a saying i kinda like, hope you do too. I thought of you today, but that is nothing new. I thought about you yesterday, and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which I'll never part. God has you in his arms. I have you in my heart. ❤️ ❤️
