“ My deepest sympathy to the Stephens family. There are many lovely memories, but one funny one in particular was when he tried to get me to eat herring without actually telling me it was herring. He told me, “eat it...it puts hair on your chest.” His funny line for many things. Rich has always been thought of fondly & made me smile more than I can count. THE best “grampy” will be greatly missed & he’s now back with his ‘Joanie’. For all the times you’ve shown the flag for others, now it’s time for all to show the flag for you.
P.S. “That’s some good pizza” - Rich
