“ Ricky and I met just a couple of years ago. It didn't take long before we became good friends. We had some fun times goin shootin'. Wether it was at his buddies house in Iowa or my buddies farm in Michigan. One time I invited another buddy to shoot, and he brought two coworkers who weren't very familiar with firearms. Ricky took it upon himself to be their firearms instructor. His number one rule was safety, that just showed everyone what a great man he was. Gonna miss ya buddy, till we meet again.
