“ A cousin-in-law and good friend, he will be missed. Bob use to stop by and pick me up after high school to ride along and help with his deliveries. I'll never forget those midnight drives to Grand Marais either. Him and Harry and Joe would pick me up and off we would all go. I was with the big guys, made me feel good. I can say this about Bob...he was always there if anyone in the family needed help with something.
