“ Pops was a good man. He and the other “originals” helped build the McCook Plant into a successful operation that generated a lot of profit that helped grow the whole Akzo Nobel. A lot of good people made their living off that plant. At the end of his career he knew every inch of the manufacturing operation. He was very knowledgeable; and, if you were wise, you wanted to get to know and learn from him.

Robert S. - September 24, 2015 at 12:00 AM

RS

“ A man's man with a great sense of humor and could read everyone with open honesty and comment. I enjoyed working with him.
